

The map displays a residential area with various proposed development zones. The zones are color-coded and outlined as follows:

- PEMD L26** and **AR PEMD L26**: A green-shaded area in the upper left, outlined with a red dashed line.
- PEMD M26** and **AR PEMD M26**: A green-shaded area in the upper right, outlined with a red dashed line.
- POL L28** and **AR POL L28**: A green-shaded area in the lower left, outlined with a blue dashed line.
- POL L27** and **AR POL L27**: A green-shaded area in the center, outlined with a blue dashed line.

The map also shows contour lines, buildings, and roads. The labels are placed near their respective areas, with the 'AR' (Approved) label in red and the 'POL' (Proposed) label in black.
